Dear John:

We have notified our bureaus of Sheringham's new itinerary, and have asked them to arrange billeting and hotel accommodations. We hope to meet him at the airport, but in case we miss, he should go to the Roger Smith Hotel, just half a block from our office at 1717 H Street, where a reservation has been made. Our office telephone is [redacted], extension [redacted]. We will be very glad to have him with us.
